**STOMACH UPSET?**

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 15c and 30c.

**For that Backache**

Backache of any kind is often caused by kidney disorder, which means that the kidneys are not working properly. Poisonous matter and uric acid accumulate within the body in great abundance, over-working the sick kidneys. Perhaps you have become nervous, despondent, feverish, irritable, or spots appearing before the eyes, bags under the lids, and lack ambition to do things. The latest and most effective means of overcoming such trouble is, take a single "Anuric"

(anti-uric-acid) Tablet before each meal for a while, or until recovered. Simply ask your druggist for Dr. Pierce's

**ANURIC**

In uremia one suffers from headaches, dizziness, loss of appetite with foul tongue and breath. Dullness and drowsiness are other symptoms. Others suffer from lumbago, rheumatism or gout. All these painful disorders are quickly overcome with "Anuric."

To treat these conditions correctly or to guard against them, there is nothing better than "Anuric," which can be obtained at every drug store. Dr. Pierce was the first to discover this antiseptic for the urinary tract, and efficient kidney and backache remedy, as it gets rid of the uric acid and the toxins (poisons) by carrying them out of the system. Send 10c for a trial package of Anuric to Dr. Pierce's Laboratory, in Buffalo, N. Y.

Fredericksburg, Va.—"Anuric is the best kidney medicine I have ever taken. I was suffering with kidney trouble and bladder weakness. I would have severe pains across my back and through my kidneys. My druggist advised my taking Anuric (which I did) and must say I found it excellent in ridding me of this condition. Anuric strengthened my kidneys and rid me of the backache. It also strengthened the bladder. I would advise those who suffer with such complaints to take 'Anuric.'"—MRS. W. S. COX, 307 Charles St.

**'WARD' IS DEPORTED BY CAPTAIN'S WIFE**

Makes Strenuous Objection to Adoption of Pretty French Mademoiselle.

It is back to gay Paris for pretty Mile. Maria Schneider, whose hope of entering the United States as the ward of Capt. Robert Charles Gill, formerly of the Medical Corps, U. S. Army, yesterday was blighted by Secretary of Labor Wilson, who ordered her deported.

Mile. Schneider arrived in New York on October 28, and was held at Ellis Island pending an investigation of her case. She is alleged to have told immigration officials that she had been married to Captain Gill. Later, on the witness stand, she admitted this was untrue.

Immigration officials learned that Captain Gill was living with Mile. Schneider's father during the war. When the father died, Captain Gill, it appears, was so sympathetic toward Maria that he took steps to adopt her. Before the board of special inquiry at Ellis Island, Captain Gill testified that he had adopted the young woman, and asked that she be allowed to enter the country.

Mrs. Gill went before the board of her own accord and made an emphatic protest against the war. She said that the fair Maria's arrival had caused her mental anxiety. She is said to have told the immigration officials that the young woman had exerted "a strange and evil influence" upon her husband.

When the case reached Secretary Wilson he promptly ordered the woman deported.
